## About Our Business:

Kaal Sarp Dosh Puja in Ujjain is a Hindu ritual aimed at alleviating the adverse effects of Kaal Sarp Dosha. This astrological condition occurs when all planets align between the lunar nodes Rahu and Ketu, influencing an individual's life with challenges and delays. The puja seeks to mitigate these impacts

In Hindu culture, Arkvivah and Kumbh Vivah in Ujjain are remedial practices performed for individuals with malefic planets in the 7th house of their natal horoscope. These rituals, collectively known as "Manglik dosha vivahs," aim to counteract the perceived astrological challenges and enhance compatibility.
