

Polyandry Dating Site

What is polyamory and polygamy?

Polyamory refers to a wide range of consensual multi-partner relationships, while polygamy involves having multiple sister wives. Sister Wives welcomes and celebrates all forms of polygamy and [Polyandry Dating Site](#) providing an opportunity

for all members to find the love they desire.

What kinds of polygamy are there?

Polygamy refers to one person being married to multiple partners, often due to religious beliefs. Polygyny involves a man having

multiple wives and is the most common form. Polyandry refers to a woman having multiple husbands.

Is polygamy legal in the United States?

Although polygamists can have weddings in the United States (and other countries), it's against the law to marry someone while still being legally married to another person. Polygamous weddings carry only symbolic, not legal, value. Despite the hope for future legal recognition, it's vital to recognize that a satisfying and joyful polygamous relationship can exist without being legally married and still regarding each other as spouses, living together.
